### Description

Antique Red Marble Fireplace - 19th Century - Louis XV Style. This elegant 19th-century Louis XV style fireplace is crafted from veined red marble and is richly sculpted. The undulating lintel features a finely worked rocaille shell at its center, framed by foliage and scrolls characteristic of the style. The curved jambs display continuous sculpted decoration, terminating in molded bases, creating a striking architectural presence. This fireplace is distinguished by its generous proportions, with a total width of 140 cm, making it ideal for a characterful living room, a Haussmannian apartment, or a bourgeois residence. The solid marble has a beautiful antique patina. A few minor signs of age and small chips, without serious consequences, attest to its authenticity and
