

Modular Shelving Unit Or Room Divider Made Of Metal And Wood Veneer

7 500 EUR

Period : 20th century

Condition : Bon état

Width : 266

Height : 247

Depth : 39

Description

Large modular shelving unit with an architectural metal structure, suspended from floor to ceiling by uprights ending in round glides. The vertical uprights create three bays, forming a truly light and airy storage wall. Between these uprights are shelves in clear glass or wood, which appear to float thanks to discreet fixings. In the lower left and right sections, two suspended storage units in wood veneer add a warm touch. Each unit consists of three drawers with slim metal handles...
