

Bronze Animal Sculpture: Asian Elephant, Trunk Raised, 20th Century

650 EUR

Period : 20th century

Condition : Parfait état

Material : Bronze

Length : 61 cm

Width : 23 cm

Height : 58m

Description

This Asian elephant with its raised trunk is 58 cm tall and less massive than its African counterpart; its ears and tusks are smaller. It features a double hump on its forehead. This highly decorative 20th-century bronze has a brown patina, with gold on the tail and tusks.
