### Description

Gaston Thiery (Crozant School) A very fine signed oil on canvas depicting an autumnal landscape of the Creuse Valley, entitled "Autumn Afternoon at La Rocheblond." The scene evokes a peaceful moment at the end of the day, where the golden autumn light is reflected on the river lined with trees whose leaves are ochre and copper. The rural dwellings, discreetly integrated into the landscape, bring a touch of life and depth to the composition. The brushwork is free and vibrant, typical of the artists of the Crozant School, who were committed to the sensitive rendering of nature and atmospheric variations. The place depicted, La Rocheblond, is located in the Creuse region, near Fresselines, a major source of inspiration for landscape painters of the late 19th and early 20th centuries. Oil on canvas.
