Description

A beautiful 18th-century overmantel mirror, presented in its original almond-green polychromy with gilt trim. The upper section is adorned with an oil painting on canvas, depicting a lively landscape scene, while the lower section houses an antique mercury mirror, showing the wear and tear characteristic of its age. The whole rests on an antique wooden frame with a parquet back, attesting to its authentic, period craftsmanship. Some wear, damage, and restorations consistent with age do not detract from the charm or the overall appearance of the piece.
