The tray and glasses feature a different floral design, but in the same very organic Art Nouveau style. Each glass consists of a handle and a glass container. Each piece is hallmarked Gallia. A superb liqueur set to end a fine dinner with panache. 21.5 cm high for the decanter 35 cm long for the tray Good condition with some signs of wear. One of the glasses is not original; it is slightly taller and does not fit perfectly in the handle, but it remains functional. Pick up in Paris or insured shipping via
