### Description

An exceptional service of twelve spoons and a sugar tong, in white and gilt silver. The spoon bowls are decorated with an interlacing of small flowers, scrolls, and finely openwork curves alternating in white silver and gilt silver. The silver handles are formed of two stems joined by a gilt silver molding. These join the gilt silver bowls with a scroll motif that echoes the design of the spoons. The sugar tongs feature the same ornamental motifs and are engraved with a cherry branch. The service comes in its original case lined with red velvet and monogrammed J.A. Each piece is hallmarked: Minerva 1st standard pre-1973 for 950/1000 silver. Maker's mark: HS with a rising sun and a star for Henri Soufflot, active from 1884 to 1910. This is a magnificent and extremely rare piece,
