Description

Beautiful porcelain incense burner, work of the renowned Camille Tharaud in Limoges, circa 1930. We offer this rare incense burner; note the presence of an opening around its base for the oxygen needed to burn the incense. There are also three other openings at the base of a small cylindrical inner receptacle for the incense. The lid has six holes to diffuse the fragrance. This object also exists in a similar form as an inkwell. *Very good condition* If you have any questions, please feel free to contact us. _____
