Antique Bohemian Uranium Glass Covered Cup And Saucer, Sahleplik For Middle East Market

2 300 EUR

Period : 19th century

Condition : Très bon état

Description

History: The Ottoman market became a significant customer of European porcelain and glass in the eighteenth century and European factories began producing a range of products including dishes, bowls and sahlep cups, a?urelik-jugs, catering specifically to the Ottoman taste. Sahlep drink made from sahlep root in hot milk and cinnamon. Salep, also spelled sahlep or sahlab, is a flour made from the tubers of the orchid genus *Orchis* (including species *Orchis mascula* and *Orchis militaris*). The word salep ultimately comes from Arabic sa?lab through French and Turkish salep in the mid 18th century.
