

Minor Dental Surgery, C.1820

380 EUR

Signature : inconnu

Period : 19th century

Condition : Très bon état

Material : Ivory

Description

A small dental surgery or personal dental care kit, complete with its nine steel instruments and its original turned and twisted ivory handle. The set is perfectly preserved in its wooden case covered in red morocco leather and lined with canvas and a small silk cushion. The instruments include various rasps, scrapers, cauterizers, and a file. The case measures 8 x 6 cm. Beautiful original condition.
