### Description

Pair of early 19th-century portraits in a shabby chic style. On the left, a man is depicted in a three-quarter bust portrait, wearing a dark, double-breasted coat and a white, high-collared shirt, typical of early 19th-century fashion. His expression is sober and reserved, conveying a certain bourgeois dignity. On the right, a woman is depicted in a similar pose. She wears a brown dress adorned with a colorful shawl and delicate lace at the collar. Her elaborate hairstyle, embellished with curls, and her discreet jewelry attest to a comfortable social status. A vase of flowers appears in the background, adding a decorative and symbolic touch. Shipping within France: EUR30. Shipping within Europe: EUR50.
