

18th-century Burgundy Glass

185 EUR

Period : 18th century

Condition : Très bon état

Material : Glass

Diameter : 6,3

Height : 14

Description

Large drinking glass in a slightly pinkish hue.
The so-called Burgundy model features a truncated conical bowl on a baluster-shaped stem.
The foot has a rolled rim and is funnel-shaped.
There is some slight cloudiness in one area, but overall it is in very good condition. 18th century.
