

Tin Water Fountain

600 EUR

Period : 19th century

Condition : Bon état

Material : Tin

Height : 45

Depth : 20

Description

Charming pewter fountain and basin, depicting Cupid riding a fish. Dated 1887 on both the basin and the fish. The tail is removable, allowing water to be poured into the fish's body. A small brass tap provides water for dispensing or washing hands. The basin collects the used water. Good condition. Fish height: 45 cm. Basin dimensions: 35 x 31 cm, height: 13 cm.
