

Large Sculptural Bowl In Handmade Fused Glass - ø 53.5 Cm

600 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 53,5cm

Description

An imposing sculptural bowl in fused glass, a unique piece with a remarkable diameter of 53.5 cm. The organic motifs, evoking expanding cellular forms, radiate from a central core, creating a powerful effect of depth and visual movement. The colored inclusions and contrasts of texture are fully revealed under backlighting, offering a luminous and almost lifelike interpretation of the work. Presented on a base with a light source, it can also be used as a monumental decorative bowl. A true piece of contemporary art, it transforms the space it occupies with its sculptural presence. Diameter: 53.5 cm. Very heavy item - careful handling recommended. Fast and particularly careful shipping. Fused glass, glass art, contemporary glass art, glass sculpture, sculptural bowl, glass
