### Description

A very fine 17th-century wall-mounted console table in oak, powerfully carved with gilded Corinthian acanthus scrolls. The clean, monochrome brown surface is edged with a dotted pattern of colors reminiscent of faux marble. The scroll carvings are particularly striking, remarkably crafted from a thick piece of wood with an exceptionally deep back; the reliefs of this superb console are very characteristic of the tall supports of Corinthian capitals. The gilding is perfect. A heavy piece in excellent condition. Overall dimensions: Height: 30 cm - Width: 26 cm - Depth: 22 cm - Dimensions of the top: Width: 21 cm - Depth: 20 cm
