Description

Pair of wrought iron door knobs - 18th century.
Part of an interior door lock. Large,
square-section knobs designed to operate locks.
Decorative, cut-out rosette appliquéd. Good
condition. The square stem on one of the knobs is
new. A rare and hard-to-find item, especially as it
is a true pair. Knob diameter 7 cm, rosette
diameter 10 cm, maximum hole size allowed: 4
cm for the first knob and 3.5 cm for the second.
