Description

We present this lovely scissor hook, hallmarked with the Minerva seal, with a silver chain. The scissor hook is likely 800/1000 silver, while the chain is certainly 925/1000. The total weight is 16.06 grams (scissor hook + chain). This hook is engraved and bears the monogram MG, but most notably, it is miniature compared to all the other hooks I have owned during my long career. Shipping extra (EUR26).
