### Description

NEVERS 17th century Circa 1670-1680 Large oval gadrooned platter with very high relief. Beautiful, thick white slip with a brilliant glaze on high-fired tin-glazed earthenware. The artist's handwork has inked deep gadroons across the entire platter. The scalloped outer rim with regular points is repeated on the bottom of the platter in a quarter-round relief motif. 53 cm long, 42 cm wide, 4 cm thick. Very good condition except for a slight hairline crack, not detrimental to the piece, visible on the rim between two gadroons. Particularly careful shipping for this large and rare piece.
