Description

Timeless Elegance: 1930s Italian Columns

Transform your interior into a masterpiece of historical design with this exclusive series of 1930s columns and capitals. Crafted in Italy according to the artisanal traditions of the era, these unique pieces utilize a refined plaster and straw technique, ensuring both durability and a distinctive textured aesthetic. With 12 complete sets available, you have the flexibility to design scenographic environments, majestic entrances, or private theatrical backdrops. The structure is modular and versatile: the capitals feature generous dimensions (70x50x40 cm), while the column shafts stand 140 cm tall, creating an impressive overall height. Why choose them: Total Versatility: The listed price is for a complete column, but we offer the option to purchase
