Description

Graham Vivian SUTHERLAND (1903-1980)
Still Life on Masonite. It consists of a Spanish-style composition inspired by Zurbarán for its penumbra, with scarifications in the panel. Signed lower right in the paint: Graham Sutherland. Probably executed around 1940-1945. *Unfortunately, I know very little about this artist.** Provenance: Antwerp. ***No frame.*** If you have any information on this work, a reward is assured.
