fact, the piece has been carefully restored in our atelier to preserve its original integrity. Furthermore, the walnut grain has been enhanced using traditional techniques. Therefore, the surface is silky to the touch and visually impeccable. However, despite its age, the structure remains solid and functional. In the same way, the construction details testify to a superior quality, typical of the noble commissions of the period. Ideal dimensions and furnishing versatility Without a doubt, the beautiful size which is 140x60xh99cm makes this chest of drawers extremely versatile. Initially, one might think of a placement in a bedroom, but in reality, it also shines masterfully in a prestigious living room or a formal entrance hall. On the other hand, the generous depth offers a notable storage capacity. Above all, the proportions have been studied to maintain a constant visual harmony. For example, the height of almost one meter allows for the display of art objects or important mirrors on the top surface. Purchase security and international shipping Naturally, logistics are handled with the utmost professional rigor. Indeed, we ship worldwide via Fed-ex-UPS-Dhl with professional packaging and insurance. In addition, shipping throughout Europe is to be agreed upon according to your specific needs. In short, every stage of transport is monitored to ensure that the furniture arrives intact at its destination. Regarding transactions, we accept payment by bank transfer, Visa, and Mastercard. Finally, we remain available for any technical after-sales advice. Thus, your purchase will be peaceful and guaranteed.
