

Louis XV Walnut Fireplace

6 500 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Length : 152

Height : 115

Depth : 32

Description

A Louis XV style fireplace in finely carved blond walnut. The hearth features a contoured design with an asymmetrical shell motif enlivening the central section of the lintel. This fireplace evokes the refined elegance characteristic of 18th-century Provence.
