

Stone Wall Fountain

6 200 EUR

Period : 18th century

Condition : Très bon état

Material : Stone

Width : 77

Height : 153

Depth : 48

Description

A wall-mounted stone fountain depicting Neptune. The shell-shaped basin rests on a narrow, slender console base. The violin-shaped pediment is sculpted in its center with a stern-looking mask of Neptune, its open mouth serving as the water spout. The fountain will blend perfectly into a garden setting, suggesting a tranquil atmosphere.
