

## Venetian Bronze Doorknocker In The Form Of A Nereid

1 700 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Width : 18 cm

Height : 23 cm

### Description

A bronze door knocker in the form of a Nereid. After a 16th-century Venetian model. This example probably dates from the late 17th or early 18th century. The same model of door knocker from the preceding period was sold by Christie's in November 2025 for EUR21,590 (last photo). Stem 7 cm
