

German Bishop In Carved Wood, 18th Century

150 EUR

Period : 18th century

Condition : En l'etat

Material : Solid wood

Height : 26cm

Description

An elegant polychrome sculpture of a German bishop, finely carved in the round. The figure is depicted standing, dressed in his liturgical vestments, holding a book. The expressive face, framed by a delicately sculpted beard, demonstrates a keen eye for detail and high quality of execution.
