Description

Von Schierholz Manufacture, Figurative centerpiece with cherubs, 20th century Polychrome porcelain, molded and painted; marked with a blue crown and shield. Elegant figurative porcelain centerpiece consisting of an openwork basket richly decorated with polychrome summer flowers, plastic appliqués of floral garlands and fruit, and refined gold details. The basket is supported by four finely modeled winged cherubs, arranged symmetrically and captured in the act of supporting the structure with grace and dynamism. The lively and harmonious pictorial decoration features a rich variety of flowers and fruits modeled in the round, testimony to the high technical quality of Von Schierholz manufacturing, known for its production of late
