Description

Large abstract composition from the 1970s, oil on heavy cardboard, with powerful and structured forms. The work is built around large, interlocking circular and elliptical shapes, in a vibrant palette of incandescent orange/red and deep black, against a grayish-green background. The surface displays a beautiful interplay of texture and layering, typical of the artistic explorations of the 1970s. The contrast between the flat areas of color and the darker zones creates a strong, almost architectural, graphic rhythm. The whole piece exudes a striking visual presence, ideal for a contemporary, minimalist, or vintage-designed interior. Period: French work, early 1970s. Medium: Oil on heavy cardboard. Dimensions: 67 cm x 51.5 cm. Presented in a simple studio frame. Good overall condition, with
