Set of 12 chairs in molded plywood and lacquered steel tube frame. Papyrus model, designed by Pierre Guariche, manufactured by Steiner. Dating from the 1950s. Simple and clean lines, will suit many types of interiors. In good condition, no damage, very solid and stable, signs of use, wear to the varnish, a small chip in the veneer on one chair: a very beautiful patina overall. Dimensions: 79x43x50cm Quantity: 12 (possibility of splitting the set)
