

## Pair Of Empire Style Gilt Bronze Candlesticks

350 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : base:11,5cm

Height : 24,5cm

### Description

A pair of Empire gilt bronze candlesticks. Each rests on a circular base chased with foliate motifs and wreaths. The fluted stem rises from a bulbous body adorned with flowers and acanthus leaves. The flared candle holders are decorated with teardrops and small flowers. The original candle cups are present, chased with grooves.  
19th-century Empire period work with beautiful gilding.
