

Empire Bronze Portico Clock

800 EUR

Period : 19th century

Condition : Etat d'usage

Material : Bronze

Width : 29 cm

Height : 44 cm

Depth : 11 cm

Description

A 19th-century Empire-style gilt bronze portico clock resting on a black marble base and four small bronze feet. Richly ornamented in bronze, this type of clock is more commonly found in brass. Working condition not guaranteed; sold as is, requiring servicing. I believe the item pictured is part of the pendulum. There is a small chip in one corner of the base. No key or bell.
