Description

Pair of Louis XVI style stools, 19th century. A very beautiful pair of seats with leather tops in excellent condition. This pair of stools or benches exudes great elegance with their wide, square seats (48 x 48 cm) offering good comfort. Note the presence of the original paint with a few light scratches, but no repainting, which is rare. The set is in very good condition with fine woodwork and the original crossbars providing great sturdiness. A rare pair on the market in this configuration, they will make a striking statement with tasteful symmetry. Shipping available in France and worldwide via secure, insured package with order tracking. Invoice and certificate provided.

Collection is also possible at the Domaine du Mas Avalrich, Montescot 66200, France. Tel: +33 6
