East India Company, 18th-century Chinese Porcelain

250 EUR

Period : 18th century

Condition : Très bon état

Material : Porcelain

Diameter : 23.5 cm

Height : 2.5 cm

Description

A set of three Chinese porcelain plates. These plates are from the East India Company, famille rose, Qianlong period, early 18th century. The porcelain is in very good condition, with only a minor chip on the rim of two of the plates; there are no cracks. The decoration is floral in the center and structured around the rim.
