

East India Company, 8 Qianlong Famille Rose Plates, 18th Century

850 EUR

Period : 18th century

Condition : Très bon état

Material : Porcelain

Diameter : 22.5 cm

Height : 3 cm

Description

A rare set of eight Qianlong period Chinese porcelain plates, early 18th century. These famille rose plates, made by the East India Company, are mostly in very good condition. There is only a discreet chip on two plates and a slight hairline crack on another. The seaside landscape decoration is a classic design, highlighted with gold.
