

## 19th Century Silver Sprinkler

120 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Length : 19.4

Width : 4.7

### Description

A pretty sugar-stirring spoon, made of solid silver for the bowl and filled silver for the handle, weighing 28 grams. This item bears two hallmarks (one on the handle and another on the rim of the openwork bowl, the Minerva head and its counter-hallmark), as well as an illegible silversmith's mark. 19th century. Shipping within France via Colissimo: EUR12
