### Description

An elegant Art Deco executive desk attributed to Jules Leleu, crafted from richly veined rosewood, with a rectangular parchment inlaid in the center of the top. The thick, overhanging top rests on two sturdy, gently curved legs, themselves set upon stepped plinths, lending the piece a sculptural and architectural silhouette. On either side of the legroom is a shallow drawer, adorned with small, square metal handles that add a refined geometric touch characteristic of French Art Deco furniture.
