Description

Superb set of 10 chairs and 2 armchairs in the Hepplewhite Revival style from England in mahogany. A beautiful set in solid mahogany from the early 20th century, dating from the Edwardian period. The chairs feature a fine carved backs typical of Hepplewhite style chairs. They rest on tapered legs. It is rare to find such a large set in mahogany. The chairs have cushions that could use reupholstering. These are easily removable, making reupholstering very simple. The chairs have been inspected by our cabinetmaker and refinished by our polisher. The seat height is 48 cm, a perfect height. Delivery available in Belgium, France, and internationally. Viewable in our showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information and photos available upon request.
