Description

A 66-drawer cabinet from a shop in Limoges. This cabinet was made in the 1960s specifically for that shop. The drawer fronts are solid mahogany, while the rest is made of plywood and particleboard. The drawers are numbered and have handles. It is sold as seen in the photos, with a few chips and imperfections. This cabinet is very heavy and bulky. Internal dimensions of one drawer: 26.5 x 36.5 cm, height 9.8 cm Due to its size and weight, I cannot offer delivery; it must be picked up from my warehouse in the southern part of Limoges, 500 meters from an exit on the A20 motorway.
