

Spanish Travel Pistol Or Officer's Pistol Converted To Percussion

740 EUR

Period : 18th century

Condition : Bon état

Description

A lovely little Spanish pistol, possibly converted to percussion. It has a 15.4 cm barrel with beautiful engraving and gold inlay. The iron furniture is finely chased, and the stock is light beechwood with a checkered grip. A matching wooden ramrod is included. It also has a belt hook for direct carrying. Please feel free to ask any questions.
