Description

Vintage Murano lamp in the shape of a penguin, dating from the 1980s. A very beautiful lamp attributed to the Fratelli Toso factory, famous for its creations with inclusions, in this case, silver glitter. The light is very pleasant and adjustable depending on the lamp's orientation and the beautiful diffusion through the graduated patterns of the glass inclusions. Note the presence of the original label and the original, period wiring (see photos), in excellent working order. The glass is in excellent condition with no scratches. In short, a very beautiful lamp with a striking presence. Shipping available in France and worldwide via secure, insured package with order tracking. Invoice and certificate provided. Collection is possible in person at Mas d'Avalrich, Montéscot 66200 (Tel: +33 6 11 14 25 33) or at my stand at
