### Description

Gilt bronze jewelry box shaped like a Louis XVI style furniture from the early 20th century. Perfect for preserving your jewelry with the class of the Ancien Régime, this half-moon chest of drawers jewelry box is inspired by the Louis XVI style with its Marie-Antoinette bow. Created at the dawn of the 20th century, this nugget of French craftsmanship is made from gilt bronze. It is peppered with rococo symbols & arabesques. Ideal for a classic decoration, this gilt bronze case will be your best ally to keep your most precious jewels with its red velvet interior. Fast & neat shipping in France, Europe & worldwide. Dimensions: Height x width x Outer length: 12.5 x 13 x 8 cm; Height x width x Inner length: 3.5 x 9.5 x 6 cm; Weight: 700 grams
