## Description

Vintage IWC Schaffhausen Automatic 18ct Gold Watch, Roman Numerals, Cal. 854/853 Switzerland, circa mid-20th centuryThis vintage International Watch Co. Schaffhausen (IWC) automatic wristwatch exemplifies the brand's mid-century dedication to precision, elegance, and understated luxury. The watch features a round, polished 18-carat yellow gold case, measuring approximately 35 mm in diameter, offering a refined wrist presence suitable for both formal and daily wear.The timepiece houses an IWC in-house automatic movement from the renowned Caliber 85 family, such as the 853 or 854, which employ the Pellaton winding system--a hallmark of IWC engineering prized for its durability, efficiency, and smooth operation.The white dial is adorned

with applied black Roman numerals and fitted with black hour, minute, and sweep second hands, combining clarity and classical elegance. Printed on the dial are the inscriptions: "International Watch Co. SCHAFFHAUSEN" and "AUTOMATIC", affirming both provenance and movement type.The watch is presented on a black smooth-finish leather strap, complementing the warm gold case and enhancing its timeless aesthetic. The case shows minor surface wear and fine scratches, consistent with age and previous use, which do not detract from the overall presence or mechanical integrity of the timepiece.
