Description

The regal charm of the 19th Century Certainly, lighting plays a fundamental role in defining the character of a stately environment. This magnificent pair of 1800 candelabra in gilt sheet metal perfectly embodies 19th-century elegance. Indeed, the brilliance of the gold blends with meticulous craftsmanship that immediately captures the eye. Moreover, this is a unique object of prestige in excellent general condition, despite showing some normal wrinkles of time that guarantee its absolute authenticity.Imposing dimensions and quality details Above all, their stage presence stands out thanks to a beautiful size which is 55x45xH115cm each. Thus, these accessories are ideal for topping large fireplaces or entryway consoles. Besides this, the quality of the gilt sheet metal is such that it reflects light in
