Description

This plaster cast from the workshop represents the head of a man in the classical style, perhaps a satyr. It is a preparatory work by Charles Filleul, probably for a larger statue. It is very decorative. Regarding its condition, there is some damage to the nose and minor cracks, signs of wear consistent with use. However, this plaster cast remains in quite presentable condition. Our photos allow you to appreciate the quality of the object. Please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 28 cm Width: 29 cm Depth: 18 cm M3552
