Description

The essence of French romanticism Certainly, the art of charcoal drawing possesses an evocative capacity that few other mediums can match. This splendid pair of charcoal drawings on paper transports us directly to 19th-century France. Indeed, the works depict a study of courtesan women in local dress, executed with a mastery that captures their grace and mystery. Above all, this is a unique prestigious object in excellent condition in patina, with minimal wear of time that enhances its historical value.Technical details and contemporary frames Furthermore, each drawing boasts a beautiful size which is h.50 W.40 cm, ideal dimensions to enrich a wall with discretion and elegance. Besides this, the works are completed by contemporary frames, which preserve their original stylistic integrity. Thus,
