### Description

This round Scandinavian rosewood table embodies the functional elegance of Nordic design. Its tabletop, with its soft lines and deep grain, reveals the inherent nobility of rosewood, a precious wood renowned for its robustness and natural warmth. Resting on four tapered legs, it combines stability and refinement, blending harmoniously into a minimalist or more eclectic interior. Equipped with an ingenious built-in extension system, this table easily expands from seating 6 to 8. The central extension, perfectly integrated into the design, unfolds with a simple gesture, offering an ideal solution for accommodating additional guests without compromising the aesthetics. This discreet mechanism enhances the table's versatility, making it equally suitable for everyday meals and
