

Vintage Chrome Quist Ice Bucket, Space Age Style - 1970s

80 EUR

Period : 20th century

Condition : Très bon état

Description

Stunning vintage chrome-plated metal ice bucket from Quist, an iconic example of 1970s Space Age design. Its futuristic design, with rounded and clean lines, is typical of the industrial and modernist aesthetic of the period. The bright chrome finish offers a beautiful decorative effect and makes a striking statement on a vintage table or bar. Both decorative and functional, this piece is highly sought after by enthusiasts of retro design and 1970s furniture. Period: 1970s Style: Space Age / Vintage Design Material: Chrome-plated metal Condition: Good vintage condition (normal signs of wear consistent with age, if present) Ideal for collecting, retro decor, or everyday use.
