Description

Textured 18K yellow gold pendant depicting a cornucopia, a symbol of good fortune. Legend has it that the goat Amalthea nursed the god Zeus when he was a baby. One of her horns broke off and received the magical power to endlessly fill itself with food and riches. Since then, it has symbolized prosperity, luck, and abundance. Weight: 2.40 g Length (inside the bail): 3.4 cm Length (including bail): 3.7 cm Width: 0.7 cm Hallmark: 750, maker's mark* Videos available upon request* Free shipping with insurance
