

Handcrafted Polychrome Statuette - Asian Art - 20th Century

70 EUR

Period : 20th century

Condition : Très bon état

Material : Painted wood

Description

Charming handcrafted painted wooden statuette depicting a porter with a pole and two hanging baskets. A typical example of Southeast Asian folk art, featuring polychrome paint (red, gold, black) and a natural patina. Material: Painted wood. Condition: Very good overall condition (minor wear and signs of age, consistent with its age). Signature: No visible signature. Period: Probably mid-20th century. Origin: Southeast Asia (folk art). An ideal decorative object for lovers of ethnic, exotic, or vintage decor. Fast shipping and careful packaging.
