

Metal Champagne Bucket - Early 20th Century

120 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Description

Elegant antique silver-plated champagne bucket, dating from the early 20th century. Its beautiful classic lines, balanced proportions, and period patina give it all its charm. A typical piece of French tableware from the turn of the century, ideal for decorative or functional use, whether in an elegant home, at a festive table, or in a refined bar. Period: Early 20th century. Material: Silver-plated metal. Style: Classic / Tableware. Origin: France (probable). Condition: Good overall condition with an antique patina consistent with its age. Signs of wear and minor scratches from normal use. No structural deformation. An object that is both useful and decorative, a symbol of the art of living and conviviality of the early 20th century. Fast and careful shipping.
