### Description

A striking glazed ceramic bowl with organic shapes and undulating edges. The interior features a vibrant abstract composition--midnight blue, coral, khaki, black, and mottled beige--in a free-flowing, painterly style reminiscent of abstract expressionism or the Memphis aesthetic. Hand-signed lower right (stylized signature "AHO" or "AHO"). Likely a studio piece from the 1980s or 90s. In very good overall condition, no chips, beautiful glaze gloss. Approximate dimensions: 26 cm in diameter. Origin: Europe (likely France or Spain). Unique signed piece.
